

The Allendale Foundation for Educational Excellence, Inc. (AFEE) is a dynamic nonprofit powered by dedicated volunteers. We're on a mission to enrich the educational journey of students at Hillside and Brookside schools in Allendale, NJ. With the generous support of our community, we've raised over \$2 million since our founding in 1995. Our grants have fueled innovation, from cutting-edge technologies like Smart Boards and iPad learning labs to creating Brookside's own TV studio, BTV. We've championed the award-winning Ecology Center at Hillside and updated libraries, science labs, and more. Even in the face of COVID, we're more committed than ever to enhancing the curriculum. This year, we've already approved over 12 grants, with many more exciting opportunities on the horizon. Join us in shaping the future of education!

### **2023-2024 Annual Sponsorship Opportunities**

Every year we look to corporations to sponsor our Annual Dinner and Auction. Last year 330 people attended the auction with over 600 families receiving our event promotions and communications. The 28th Annual Dinner and Auction will be held on March 15, 2024 at The Edgewood Country Club in River Vale, NJ. For our 28th year we are hoping to raise even more money to continue to enrich our children's education, but we need your help. A full description of the sponsorship levels are available on the next page. If you are interested, please click this link to complete the form by January 30th, 2024 (Note: The sooner we receive your submission, the more pre-event advertising we can offer via our promotional website, social media, flyers, additional events and more.)
